

OBJECTIVE

Instituto Addvalora was set up as an academic meeting point for the different participants, mainly in the insurance market. It aims to provide a different perspective, the loss adjustment perspective.

In some cases, the members of Instituto Addvalora team have notched up over 30 years' experience. All the knowledge acquired over the years is now available to assist companies, reinsurers, brokers and the Insureds, amongst others, with the confidence gained from having worked on the most important and complex losses in recent decades.

INSTITUTO ADDVALORA TEAM

The team is mainly up of professionals working at the Addvalora Group and its different companies (Addvalora Global, Aviamar, Addis, Aseper, Toplis and Harding, Addgestion). In addition, the Institute also recruits national and international outside professionals in order to ensure that it always has the leading professionals in each field.

PREMISES

Instituto Addvalora has a learning centre that can accommodate up to 35 people, and which is equipped with the necessary technology and the relevant logistic resources.

When the courses so require, the Institute will select the most suitable place to host them and ensure the comfort of the participants.

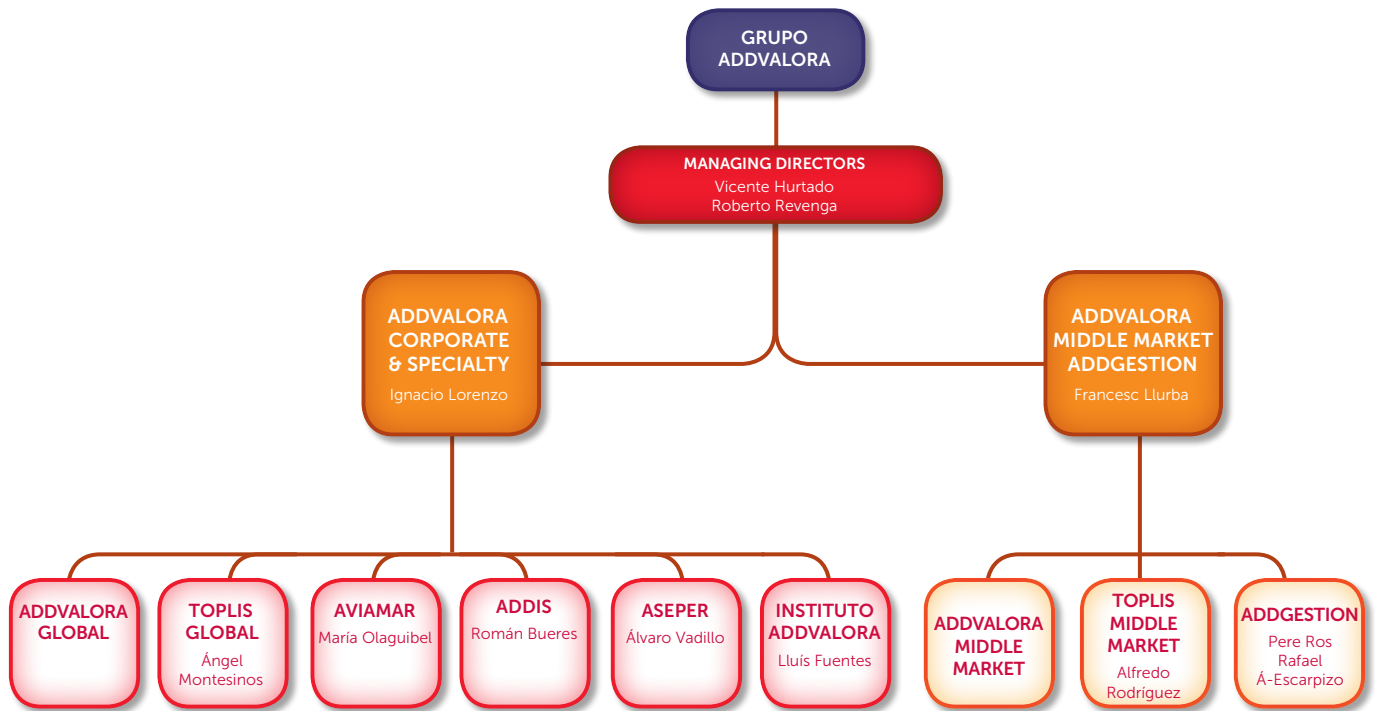

Furthermore, Instituto Addvalora provides the courses requested in other locations, whether it be at the offices of clients or their preferred chosen venue.

RESEARCH PROJECTS

Instituto Addvalora is immersed in the ongoing review of loss adjustment criteria and methods and is willing to share information and conclusions with other insurance professionals.

AGREEMENTS WITH INSTITUTIONS

Instituto Addvalora has cooperation agreements in place with private and public Institutions that are well-established within the fields in which the Institute operates.
